

Porchers to Ghana

Dear friends and family,

We are excited to be able to let you know that our next prayer letter will be sent from Ghana! After talking to various people both in the U.S. and Ghana, we were able to secure the information regarding the paperwork needed for our move, and our departure date is February 29. Thank you for your prayers on our behalf as we sought to get everything taken care of.

The rest of this month will find us busy packing and travelling on the weekends to local supporting churches where Joel will be preaching. Our container will ship approximately two weeks before we leave. Please pray that the Lord gives us wisdom in packing and that everything makes it safely across the Atlantic.

We enjoyed time with family for Christmas and New Years travelling to SC, FL, and CT., and experienced the difficulty of saying goodbye to many that we love. We realize, however, how blessed we are to be missionaries during the 21st century and know it is so much easier to stay connected to those here than in the past. For anyone interested we do have a Skype phone account reachable from any U.S. phone line and the number is 410-697-5969.

We are so thankful to be Christ's ambassadors and your representatives as we head to Ghana. "To God be the glory. Great things he hath done."

Privileged to serve Him,
Joel, Deanna, and Little Joel Porcher

Pray For:

- *Packing of container to go smoothly*
- *Safe, uneventful travel from here to Ghana*
- *Container to arrive on schedule*
- *No problems in clearing container*
- *We would not forget any last details*
- *The Lord to prepare the way before us with our initial contacts in Ghana*
